JOURNAL OF MOLECULAR BIOLOGY

AN INTERNATIONAL JOURNAL OF
MOLECULAR BIOLOGY AND
GENETICS
EDITED BY
D. MORAS AND
M. D. PERKINS
PUBLISHED BY
ACADEMIC PRESS

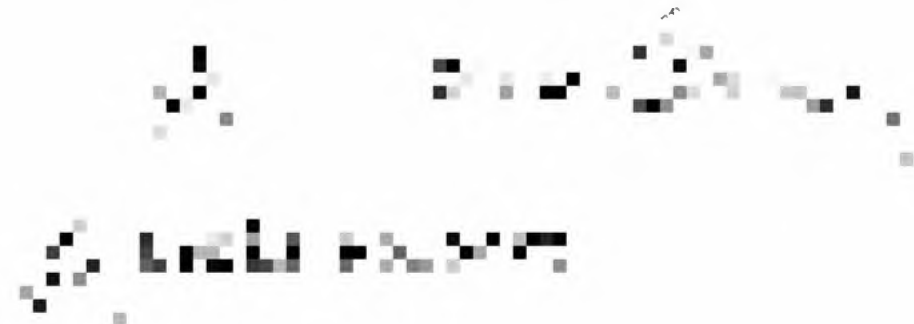

January 21, 1984

Dear Dr. Cunliffe,

Our referees have now considered your manuscript, which, we regret, we cannot accept for publication. The referees have commented that the manuscript presents purely speculative notions without any scientific basis and much of what it presents does not concur with known immunological fact. They feel also that it falls into a category not acceptable to this journal.

I am returning your manuscript herewith.

Yours sincerely

Dr. J. Cunliffe
